The health care price for any given health care service is an estimate; the actual charges for the health care services are dependent on the circumstances at the time the service is rendered.

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a Matthews-Vu health care provider.

If you are not covered by health insurance, you are strongly encouraged to contact our billing office at 719-632-4455 to discuss payment options prior to receiving a health care service from Matthews-Vu since posted health care prices may not reflect the actual amount of your financial responsibility.
